

Board Meeting
Wednesday, April 17, 2024

Attending: **Rick Schneider, President**
 Elaine Shastany, V.President
 Robert Porter – Director
 Heith Hamrick – call in

Topics: **Bids for new Garfield Entrance**
 New signage
 Landscaping on both sides of entrance
 Landscaping along Garfield (berm)
 Path along Garfield

We experience a long delay waiting for contractor(s) bids thus could not move forward. Many either did not return calls or did not come back with a quote.

Set up a Committee meeting in the next couple of weeks to bring forward bids and discussion.

Ask John to contact our legal expert on who owns the path and who is responsible for either fixing it or replacing it. If someone falls or is injured in any way are we liable?
